

Sherwood Firewise SafetyNet Terms of Service

Sherwood Firewise SafetyNet ("SafetyNet") is a volunteer organization that provides subscribers ("you") with notification services of incidents identified as critical to safety in or adjacent to the Sherwood Road corridor in Mendocino County, California ("Sherwood Corridor"). SafetyNet volunteers monitor reports of fire and other incidents in the Sherwood Corridor that could affect public safety. Our intention is to give subscribers notifications of these incidents in the form of SMS text, voice call, or email. We do not assume responsibility for your safety and encourage you to additionally sign up for all county emergency services that pertain to your area. To use SafetyNet services you must be 18 or over years of age, have a phone number, and have a relationship with property in the Sherwood Corridor. That relationship includes renting a home in the corridor, owning property or a home in the corridor, or having an association (such as working) within the corridor.

Our responsibilities for Privacy & Service are:

1. To notify subscribers of a public safety incident in the Sherwood Road corridor by SMS text, voice call, or email.
2. To respect and protect subscribers' privacy and not release or sell any personal information unless required by law.
3. To maintain your information on a secure website.
4. To share your information only on a need to know basis related to Sherwood Firewise SafetyNet. That basis includes SafetyNet administrative functions to maintain the information and when requested by emergency personnel and SafetyNet designated representatives in response to the critical situations, and to protect the safety of others.
5. SafetyNet utilizes third party call services to provide notification. We utilize services that will not sell or profit from your contact information. They will only receive the minimum of information necessary to notify you. We will post on our website a link to the third party's privacy policy.

Your responsibilities are:

1. The well-being of you and your associates and the condition of your property before and after a public safety incident.
2. To sign up for county notification services and to understand that SafetyNet serves as a secondary notification service.
3. To initially give and maintain accurate, complete, and current information contact information.
4. To maintain the privacy of your account access. If you share your account access with another person you are responsible for any modifications or information that is applied to your account.
5. To understand that all adults who wish to have this service are responsible for setting up their own personal account.
6. To inform SafetyNet if your password or private information has been breached.
7. To utilize the SafetyNet contact information we supply solely for communication regarding your account and our services.

By clicking on 'Submit and Accept' you agree:

- To hold all associated with SafetyNet harmless from liability, risk, and physical damage to self or property.
- That you understand SafetyNet is a volunteer organization that will notify you of a public safety incident in the Sherwood Corridor.
- That the notification is not a prescription for you to act, but simply information that you may choose to act upon.
- That you will hold SafetyNet harmless for any situation where you did not receive notification or timely notification. In summary by signing this agreement, you are stating that you are responsible for your environment, your risks, and your safety, and that you understand that SafetyNet is a volunteer effort to notify you and is not responsible for you and your associates' safety and well being and your property's condition.
